

AMENDMENTS TO THE SPECIFICATION

Please replace paragraph [036] with the following amended paragraph:

[036] After the commitment is received from the user, the threshold is monitored (320) and adjusted as other users request movies. When the threshold is satisfied, the users are notified (322) that the movie is scheduled for viewing. In this embodiment, users are notified view email (324) that the threshold is met. The users are also given a location (including date and time). Users that promised to pay later are usually required to pay at this time. In one embodiment, the threshold reverts to being unsatisfied is users that promised to pay do not pay. In this case, a notification is first sent to these users asking them to pay before a notification is sent to all users indicating that the threshold has been satisfied.
